

Let 's Join the MATURI and carry the 'MIKOSHI' (portable shrine)!!

It is said that the god of the shrine comes to town riding on a MIKOSHI (portable shrine) during festivals, bringing happiness to the people. Large car-like floats also liven up the festivals. Both the MIKOSHI and the floats are treasured by the local people and are beautifully decorated. See the MIKOSHI and floats at the shrine and pray for world peace!!!
