

Nagoe Kiridoshi Pass & Mandarado Yagura Caves Hiking in Autumn Leaves

Nagoe Kiridoshi is a steep mountain path built in 13th century, connecting Kamakura and the Miura Peninsula. Walking through this path, you will find Mandarado, more than 150 caves on the cliff. What are these caves? Let's walk and investigate in the beautiful autumn leaves! Don't miss this chance as Mandarado is open to the public only twice a year.
